

Saint Mary's Catholic Voluntary Academy

Executive Headteacher - Mr P Ackers
Head of School - Mrs S Rudd

22nd May 2023

On Wednesday this week, join us for WHITFEST 23, our community festival in partnership with High Peak Schools Sports' Partnership and Move More Glossop.

The letter linked below has all of the details but there are few other reminders as the weather is looking great!

<https://www.stmarysglossop.srscmat.co.uk/.../WHITFEST-23...>

Don't forget all children need to be in their PE kit on Wednesday.

SUNSCREEN

Children will be encouraged to put on their own sun screen when appropriate.

If sunscreen is brought into school it should be labelled with the child's name and given to the teacher for safe keeping. Please do not send aerosols. Children are reminded not to share sunscreen products with friends.

Staff are not able support with the application of sunscreen but can supervise children applying the products themselves. We recommend that parents apply sunscreen at home before the start of the school day.

Consideration is given to limit the time children spend outside in the hottest part of the day and children will be encouraged to seek shade.

WATER BOTTLES

It is essential that every child has a water bottle / flask with them in school everyday particularly now on the summer. We do have water fountains that the children can use but these aren't easily accessible to children when taking part in outdoor activities. Children can refill their bottle during the day.

HATS AND CAPS

Children are encouraged to bring a sun hat or cap into school in the warmer summer months. Please ensure the hat is named to prevent confusion and help us return any lost property.
